

Midgley Open Gardens 2020 event was cancelled due to the pandemic. This year, because of uncertainty about the prevailing rules in August, we decided to go ahead with limited catering, and a reduced number of gardens.

We hope to welcome you back at full strength in 2022.

**Please follow the COVID-19 rules
that are in force
and
respect other's desire for
continued social distancing**

The money raised from the Open Gardens event this year will go to Midgley Community Forum.

Please remember that these gardens are private property and have not been designed for the visiting public. Many gardens have uneven steps, and some may have uneven paving.

Please observe any local signs, and take care not to damage plants. Children should be under supervision at all times.

Parking available:

- in Midgley School car park, HX2 6TX.

Toilets available:

- next to the Bus Terminus
(220 yards west of the Shop)

Thank you for coming, and enjoy your visit.
We apologise for being unable to serve lovely lunches this year.
