

### MIDGLEY ADVENT WINDOWS

We are delighted that so many households are taking part in Midgley's Advent Windows again this year – a celebration of light and festive cheer throughout the Advent period.

Day by day from 1<sup>st</sup> to the 24<sup>th</sup> December, a new window throughout the village will be decorated and illuminated in a pre-set order. The windows are concentrated mainly in the village centre and all will be visible from the road or footpath. A map showing the locations of the windows is available in Midgley Shop. Once revealed, each window will stay illuminated every evening until after Christmas. We are so grateful to everyone who has kindly offered to host a window. The response has been so good that some days more than one window will be revealed. We hope you enjoy the windows and that you will encourage others to view them over the Christmas period.

### VILLAGE CHRISTMAS CAROL SINGING

Sunday 19<sup>th</sup> December

Meet at 5.45 in the school car park. Starting at the school car park, we will process up the village, pausing at various points along the way to sing carols.

In the meantime, Santa will deliver presents to the over 80s and housebound residents. If you know someone who you think qualifies who hasn't previously, please let Rema know on 01422 885111.

Carol sheets will be provided.

Remember to bring a torch!

Please keep safe by staying on footpaths or close to the side of the road when walking. There will be marshals to help stop and slow the traffic where appropriate.

The event this year will culminate at the Community Room.

Santa will be there in his grotto to meet the children while mince pies and mulled wine are being served and a collection taken for a local charity. Please give generously.

### WALKING MARKET

Thank you to all you villagers that cooked, crafted and turned out your attics to put on such a brilliant first Midgley Walking Market. Thanks also to all the visitors that braved the dismal rainy weather and patronised the stalls. There was a great sense of neighbourliness as some people shared stalls or sold goods for others and generally got to know each other better. The general consensus seemed to be that it was a good thing to do, but in Spring, in future. Watch this space.

### MIDGLEY'S RESPONSE TO THE CLIMATE EMERGENCY

Midgley Community Forum has invited Councillor Scott Patient to host an informal and informative workshop to explain what we mean by *climate change* and what we can all do about it.

This will be a fun, stimulating and interactive session to challenge our thinking and expand our knowledge of climate change and its impact on our lives.

What will be the consequences of a 2 degree rise in global temperature?

What small changes can I make to significantly reduce my carbon footprint?

What steps can the Midgley community take collectively to improve our environment and become more sustainable? Can eating a banana ever be guilt free?

Come along - share your thoughts and challenge your pre-conceptions in a friendly, inclusive and totally non-preachy session.

Wednesday January 26<sup>th</sup> at 7.30 in Midgley Community Room

The bar will be open and light refreshments will be available.
