SPAW SUNDAY 13TH MAY

Once again Midgley will celebrate the tradition of Well Dressing. This will be a week later than usual due to the Tour de Yorkshire on 6th May.

The theme this year is FAMOUS YORKSHIRE PEOPLE

We meet at the Pinfold on Chapel Lane by 11.0 am to join a guided walk around all the wells.

Whilst we stop to admire each well, a child or adult reads a short piece or poem, often their own composition.

The walk is approximately 1.5 miles long and does involve some uphill walking and clambering over stiles. It will skirt a short stretch of moor side, and so appropriate footwear and clothing is recommended.

If your legs get tired and you peel off along the way, why not call in to the Community Room for a hot breakfast butty and maybe sample some of Rema's 'famous' Dock Pudding.

The Community Room will be open for Breakfast from 10.0 am

The Dock Pudding will be available courtesy of Rema Sim who picks, prepares and cooks the sweet dock.

EVERYONE WELCOME

During the Autumn and Winter we like to put on Talks on a variety of subjects that might be of interest to villagers. If you have such a subject and are willing to give a talk, or you know an organisation or individual we could approach, please contact Jean Tallis 01422 882394

MIDGLEY OPEN GARDENS WEEKEND

Saturday 9th and Sunday 10th June

Thank you to all those villagers who have already agreed to open their garden for this bi-annual event.

There is still time if you are interested in opening your garden or studio. We also need volunteers to help out with publicity before the event, or baking, or on the weekend, selling tickets or serving food for example. Gardens can be large, small or a few pots. They can be formal, wild, or work in progress. There is no such thing as a typical garden. Midgley is blessed with beautiful environs and fantastic open views as well as secret places. These add hugely to the pleasure of visiting the gardens and it's always a popular weekend which draws people in from far and wide.

If you are an artist or a crafter, this could be an opportunity to show off your skills and open up your studio or workspace to the visiting public.

Please get in touch if you can help out in any way. It will be much appreciated.

Contact Anne Holdsworth on 01422 882901

P.S. Please consider sowing extra seeds and taking cuttings this Spring to sell at the plant stalls on the Open Gardens weekend even if you are not opening your own garden.

The more variety the better.

Thank you.
