Midgley village fete 10th June 2023

It was lovely to see the whole community, and many more from further afield, enjoying the spectacle that is Midgley Fete, way back in June. Can you believe now that the weather was so hot that many found relief from the sun under the shade of the trees?!

There was plenty to eat and drink (the lager did run out and supplies had to be brought in from local supermarkets) and entertainment for all the family. From the wonderful Maypole dancers from Midgley school who opened the event, to the straw bale racers and welly wangers, marvellous stall holders, and not to forget the bar and music bands- it all goes to make Midgley fete the special event that it is.

To put the fete on, takes a lot of planning, organising and physical effort for many weeks before but especially the Friday to Sunday of the fete weekend. So, a heartfelt, very big THANK YOU to all the volunteers whatever you did to make it such a memorable and successful event. The profit from the Fete was about £4500 which will be used to enhance and maintain the community building and provide activities and events for the community over the coming year.
