

16. Garden at Lane Ends Farm, Solomon Hill

Andrew Sutcliffe & Sandra Scott
A garden divided into several distinct areas - White Garden, Gravel Garden, Veg Plot, Greenhouse and Summerhouse.
Plant Sales with plant creche. Treasure Hunt.

17. Garden at 20 Railes Cottages

John & Jill Butterfield
At the front is a small area with shrubs, annuals and herbaceous plants. The rear garden is more extensive with lawn, raised beds, a large pond and a stream effect. We have a small green house and dabble in growing our own vegetables and strawberries.

The last Word.....

The money raised from the Open Gardens event this year will go to Midgley Community Forum.

Please remember that these gardens are private property and have not been designed for the visiting public. Many gardens have uneven steps, and some may have uneven paving.

Please observe any local signs, and take care not to damage plants. Children should be under supervision at all times.

Parking available:

- in Midgley School car park, HX2 6TX.

Toilets available:

- next to the Bus Terminus (220 yards west of the Shop)

Thank you for coming, and enjoy your visit.
